MASSES INTENTIONS

READINGS FOR THIS SUNDAY THIRTY-SECOND SUNDAY IN ORDINARY TIME

First Reading: 2 Maccabees 7:1-2, 9-14

A king tortured a Jewish family, and tried to make them violate the laws. They all refused to give in and violate the laws. All of the family members told the king they would rather die at his hands than surrender their hope of being resurrected by God.

Second Reading: 2 Thessalonians 2:16—3:5

Paul prays that the Thessalonians will be strengthened by God. He also asks them to pray that God's word will continue to spread, despite the persecution of Christians that was occurring at that time.

Gospel: Luke 20:27-38

Jesus encountered some Sadducees who did not believe in resurrection. Jesus refuted them by quoting Moses, who called the Lord the God of Abraham, Isaac and Jacob. Jesus then said, "God is not the God of the dead but of the living. All are alive for him."

FAITH FORMATION

Child Lures Prevention Program

Will be presented through the month of December

The Diocese of Camden has selected Child Lures Prevention as a safe environment program for our religious education programs in the parishes. The basic premise is that an individual who intends to harm a child uses a "lure" to get the child away and to do harm. So, children are taught how to recognize lures and how to protect themselves.

Each year your child will be taught a different lure. The Diocese of Camden is committed to ensure that the children entrusted into our care are safe and that we provide them with the tools they need to guarantee their safety.

If you do not wish your child to participate in the session, please let Cathy Sheridan know immediately at 856-767-1537. If you have any questions about the program, please do not hesitate to call me for further information at 856-756-7900 ext. 6010.

UPCOMING EVENTS

STEWARDSHIP

Stewards Encourage Others

"May our Lord Jesus Christ himself and God our Father, who has loved us and given us everlasting encouragement and good hope through his grace, encourage your hearts and strengthen them in every good deed and word." 2 THESSALONIANS 2:16-17

There are two important lessons here. First, we are called as Christian **Stewards** to be generous with our encouragement and hope. As God shows us mercy, we must be merciful to others. Second, joy is contagious! The joy we receive from doing good works not only strengthens us, it encourages others as well.

House of Charity/ Bishop's Annual Appeal Employee Giving Campaign

DID YOU KNOW - the House of Charity is a donor choice for many employee giving campaigns?

Many businesses will begin their Employee Giving Campaigns this month and continue to solicit donations through the fall months. **Employee Giving/United Way** campaigns give us an opportunity to direct our donations to the charities that best represents our beliefs, interests and social concerns.

Ask your employer for a pledge card and be sure to:

- Designate the House of Charity in the Donor Choice Section
- If the agency requests a code for your donor choice...these codes may be found on the *House of Charity* website under "Employee Giving Campaign" and in the *Catholic Star Herald*.
- Ask to be acknowledged! This ensures our parish will receive credit toward our House of Charity goal.

Your donation to our House of Charity helps to build, support and maintain many programs, ministries and services throughout our parishes and communities. These programs save lives and build futures. Thank you so much for your past, present and future support of our House of Charity fundraising campaign.

New Jersey's Adoption Law has changed

Beginning January 1, 2017, adoptees and certain relatives will be able to obtain a copy of their original birth certificate without a court order. The birth certificate will include the names of the birth parents who place children for adoption unless a birth parent requests their name be omitted.

Birth parents who wish to preserve their privacy must submit a **Redaction Request Form** to the New Jersey Department of Health no later than **December 31, 2016**. The **Redaction Request Form** can be obtained by calling 866-649-8726 ext. 582 or downloading it at <http://nj.gov/health/forms/reg-36c.pdf>.

The Catholic Church has always supported reunions between adoptees and birth parents, if such reunions were by mutual consent. The Church continues to do so through their Catholic Charities agencies.

If you know someone who could be affected by the changes to New Jersey's Adoption law, please let them know about the changes. Anyone needing assistance can call a free HELPLINE AT 609-989-4809.

November is Alzheimer's Awareness month:

Alzheimer's is a devastating diagnosis for the person and their family and friends. One of the best ways to handle this disease is early diagnosis and treatment. Many people deny it is happening to them or a loved one. New treatments and medications have slowed the progression of the disease when caught in time. Here are some of the warning signs:

- Difficulty with simple problem solving, especially where numbers and/or measurements are concerned. (When Mom has difficulty making favorite recipes, balancing a checkbook or forgetting to pay bills.)
- Forgetting new information after repeated reinforcement.
- Losing a sense of time, month, year or season (What year is it?)
- Becoming disoriented and/or anxious in a familiar place
- Inability to engage in a conversation, confusion of thoughts and words while speaking.
- Frequently misplacing things, in unusual places. (putting keys in the refrigerator etc)
- Withdrawing from social activities which were a normal part of daily life, shopping, sports, church.
- Becoming anxious, depressed, fearful, suspicious of family and friends.
- Confusing children with their parents or grandparents

WHAT IS THE DIFFERENCE BETWEEN ALZHEIMER'S AND TYPICAL AGE-RELATED CHANGES?

Signs of Alzheimer's/dementia	Typical age-related changes
Poor judgment and decision-making	Making a bad decision once in a while
Inability to manage a budget	Missing a monthly payment
Losing track of the date or the season	Forgetting which day it is and remembering it later
Difficulty having a conversation	Sometimes forgetting which word to use
Misplacing things and being unable to retrace steps to find them	Losing things from time to time

When faced with an Alzheimer's diagnosis it is important to get finances and healthcare decisions made while the individual is still able. Assessing the safety of the individual and making modifications to prevent harm to the individuals and others. (cooking, driving etc.) Support for the family and caregivers is necessary to prevent burn out.

For more information, consult a health professional or visit the www.alz.org or <https://nihseniorhealth.gov>.
