

LENT AND EASTER CELEBRATION 2018

LENTEN SCHEDULE

Ash Wednesday: February 14th is Ash Wednesday. Ashes will be distributed during the 8am Mass, 9am School Mass, 12:00 Noon Service, 4:30pm Service and 7pm Mass.

Fasting and Abstinence

The Church's official position concerning fasting and abstinence from meat during Lent: Catholics between the ages of 18 and 59 are obliged to fast on Ash Wednesday and Good Friday. In addition, all Catholics 14 years old and older must abstain from meat on Ash Wednesday, Good Friday and all the Fridays of Lent.

Fasting as explained by the U.S. bishops means partaking of only one full meal. Some food (not equaling another full meal) is permitted at breakfast and around midday or in the evening – depending on when a person chooses to eat the main or full meal.

Abstinence forbids the use of meat, but not of eggs, milk products or condiments made of animal fat.

Ashes

The use of ashes as a sign of penitence and remorse is rooted in Jewish tradition. This Jewish penitential practice carried over into Christianity. As far back as the fourth century church, those who had committed serious sin presented themselves to the bishop on Ash Wednesday, and he sprinkled ashes onto their hair shirts (sackcloth). The penitent would spend the rest of Lent wearing the hair shirt as a public display of sinfulness.

Fasting

Jewish Law required fasting on only one day of the year - Yom Kippur, the last of the 10 days of penitence introducing the New Year. However, special public fasts could be called in the face of disasters, e.g. a famine. There were also private fasts. For example, some Jewish people fasted every Tuesday and Thursday.

As Christians, we fast as a way of asking God for what we need, or of doing penance for our sins. But more deeply, fasting is a form of prayer--prayer in action. It helps us experience and express:

- ❖ Our hunger for God
- ❖ Our dependence on God
- ❖ Our weakness and frailty
- ❖ Our willingness to change some of the sinful patterns in our life
- ❖ Solidarity with the poor, the outcasts, the alienated, etc.

Paschal candles are beautiful but can be costly. If anyone would like to donate to the purchase of our candle, in memory of a loved one, please contact the office or speak to Fr. Jim or Fr. Goyette. Your loved one's name will appear in the parish bulletin and on the TV screens in Church throughout the Easter Season.

PASTORAL ANNOUNCEMENTS

A Letter from the Pastor

Dear Parishioners,

The Diocese of Camden has grown tremendously over the course of its 80 years in service to the people of South Jersey. As a diocese, we are continuing to adjust to the constant changes affecting the Catholic Church throughout the Northeastern United States, and we are working to create more dynamic parish communities.

Bishop Sullivan has actively engaged the lay faithful and clergy in promoting the wellbeing of our parishes and the diocese. By frequently visiting parishes, schools, and other institutions, he has made clear his vision of supporting his priests, increasing priestly vocations, encouraging youth and young adult formation, and providing a quality religious education, especially through our Catholic Schools.

Now, midway through the second decade of the 21st century, it is time for this generation of Catholics to make their mark on the history of the diocese. **Catholic Strong**, the Campaign for the Catholic Community of South Jersey will primarily benefit our local parishes. Seventy percent of the funds raised through this effort will be allocated for parish needs as determined locally and 30 percent will fund the diocese's coordination and support of various ministries.

This effort should not be mistaken for the House of Charity, which is expended to maintain the important outreach ministries and programs of the Diocese. The mission of this campaign is to provide funds to ensure that our parishes are financially stable and allow the Diocese the opportunity to address long-term and extraordinary needs so that our Church will have the strength and stability to serve future generations of Catholics.

The **Catholic Strong** Campaign will call upon all parishioners throughout our six counties to take an active and supportive role. It is my sincere hope that each of you will take part in this process by responding to this critical initiative. Your participation is vital to the future of Saint Simon Stock Parish.

Thank you.

Fr. Jim

Second Reading: 1 Corinthians 10:31—11:1

Paul instructs the Corinthians to do everything for the glory of God, to avoid offending others, and to be imitators of Christ.

Gospel: Mark 1:40-45

STEWARDSHIP

Stewardship Begins With Prayer

"Rising very early before dawn, he left and went off to a deserted place, where he prayed...He told them, 'Let us go on to the nearby villages that I may preach there also. For this purpose have I come.'" – MARK 1:35, 38

In today's Gospel reading we see a perfect example of **Stewardship**. Jesus gives His time to do all that God wishes - healing the sick and preaching. But before He begins, Jesus makes time to be alone with God in prayer. It is through prayer, spending time with God, that we find the strength to do what He wishes us to do. Be sure to find time every day to be with God.

ST. SIMON STOCK HEALTH MINISTRY
Presents:

7 Simple Ways to get Heart Healthy!

MANAGE BLOOD PRESSURE

High Blood pressure is a major risk factor for heart disease and stroke. Lowering your blood pressure reduces the strain on your heart, arteries and kidneys, which keeps you healthier longer.

CONTROL CHOLESTEROL

High cholesterol contributes to plaque, which can clog arteries and contribute to heart disease and stroke. Opt for sauteed or baked over fried.

REDUCE BLOOD SUGAR

Most of the food we eat is turned into glucose (or blood sugar) that our bodies use for energy. Prolonged high levels of blood sugar can damage your heart, kidneys, eyes & heart.

GET ACTIVE

Living an active life is one of the most rewarding gifts that you can ever give yourself and those you love. Try 10 minutes 3 times a day.

EAT BETTER

A healthy diet is one of your best weapons for fighting cardiovascular disease. Eating a heart healthy diet improves your chances of staying healthy – for life!

LOSE WEIGHT

When you shed extra fat, you reduce the burden on your heart, lungs, blood vessels and skeleton.

STOP SMOKING

Cigarette smokers have a higher risk of developing cardiovascular disease.
