MASSES INTENTIONS

READINGS FOR THIS SUNDAY FOURTEENTH SUNDAY IN ORDINARY TIME

First Reading: Isaiah 66:10-14c

Isaiah instructs the people of Jerusalem to rejoice, because God would restore her prosperity. The people will better understand God's power through their homeland's restoration.

Second Reading: Galatians 6:14-18

Paul describes the sign of the cross of Jesus as all that is significant. Following the old laws is unimportant. Instead, being baptized in Christ and adhering to his ideals is what matters most.

Gospel: Luke 10:1-12, 17-20

Jesus sent forth seventy-two disciples to preach his good news, telling them "the harvest is rich, but the workers few." He also gave them detailed instructions on how to act towards the people. Jesus then reminded them not to be happy because of their power over evil, but to rejoice in the salvation they would achieve.

STEWARDSHIP

UPCOMING EVENTS

Dear Parishioners,

As we celebrate the warmth of summer, many of us go on vacation, holidays or small excursions. While you are away from the parish, please consider making your contributions through electronic giving. This process is so easy to do and helps keep our collections healthy over the summer.

Just go on to our parish website www.stsimonstock.net and click on "Parish Giving". Then the process will be explained to you. The program is free of charge for parishioners.

Have a Blessed and Safe Summer.

Fr. Jim

Stewardship Ministry

"He said to them, 'The harvest is abundant, but the laborers are few...'" LUKE 10:2A

As **Stewards** we are all called to serve in ministry. However, many of us are unsure how to use our talents and gifts to build God's Church. Talk to God and ask Him what He wants you to do. The next time one of your fellow parishioners asks you to help or join a ministry it may be the answer to your prayer.

Minecraft, Desert Island Survival. Students will work together offline in our own Minecraft World hosted on a private server. They will find ways to survive creating everything themselves from scratch using just the Minecraft blocks, their mining and crafting talents and their imagination and ingenuity. They will design and build their own shelters before creating an entire village for the group to live in. Finding enough food to live on leads the group to explore crop farming and animal husbandry. Once secure in their own village, the group ventures out on the island and discover some of the different Minecraft biomes ranging from the jungle to the desert. Finding your way in uncharted territory creates the need to quickly develop some mapping skills. Finally, the group storms the local castle by solving the puzzles and avoiding the traps.

Study Skills (12:15 – 2:30PM)

This summer camp focuses on test prep, reading comprehension and math skills. Having trouble with that summer packet? This course is designed to help students avoid "summer melt" and better prepare them for test taking.
